FAQ's:

How does it work?

Simple. Pay small application fee, sign up for monthly payment. Done.

Who can Join?

Everyone, families, children, young adults and businesses.

I have Medicare, can I join?

Yes. We have “opted out” of Medicare. This allows Medicare recipients to join. The provider can do all the normal things, such as prescriptions and referrals. Neither the provider or the Medicare recipient may bill Medicare for service provided by Nicc's.

Can Employers participate?

Yes. Many employers purchase for their employees. It is a great choice for both.

Can I join if I have existing medical issues?

Yes, membership is not based on medical conditions.

Can I cancel my membership?

Yes, at anytime for any reason, with 30 day written notice.

Can I join again later?

Yes. Re-enrollment fees usually apply.

Can I join if I have insurance?

Yes. Nicc's does not bill insurances.

Is a DPC insurance?

No. DPC clinics is not “insurance”.

Are there options for larger expenses?

Yes. There are many “Cost Sharing” programs. They work very similar to DPC, and some even reimburse a DPC membership fee. (see other resources & information)

Is there a tax penalty not having regular insurance?

Not if you have coverage through a cost sharing program, there is an exemption.
