

DIRECT PRIMARY CARE

Is a membership-based form of Primary Care that does not bill any insurance. This leaves medical decisions up to you and your provider without having to jump through the hoops imposed by traditional insurance companies.

If you require diagnostics or other testing outside of our clinic, we will help you navigate the medical system, provide appropriate orders/ referrals, and work in conjunction with the other providers you see.

OUR APPROACH

At NICC's DPC we believe that humans are created as complex beings, which means your physical health is not the only aspect impacting your wellness. We will address you holistically, encompassing your: *Physical Health*

Mental Health

Spiritual Health

Social Health

Environmental Exposures

PRICING

To become a member at NICC's DPC, you can schedule an initial meet and greet visit where we would be happy to answer any questions that you have & review our services prior to any charges from NICC's.
